

IDLE-FREE VT

637 Jim Dwire Rd., Bristol, VT 05443 • idle-freevt.com

Idle-Free VT is a supported project of ACoRN—Addison County Relocalization Network. acornvt.org

We, the undersigned, support the enactment of legislation for the State of Vermont that is designed to prevent needless vehicle engine idling. We understand that idling wastes fuel, damages engine components, contributes to global warming, and causes respiratory illness — particularly in children.
